- ICE/PROCEED;
Pangmapah Model
- DMAP II & MYN
- Fight COVID-19 w Risk
communication
- Reached out to non-
schooling children by EEF
- PFCP
- Online survey with Ethnic
youths
- Children Meeting on Digital
Environment in Thailand
- MWEC by KNH
- Training services
 - The Living Fund
& Safety Home Building

ECCD

early childhood care and development

- The project initiative was successfully set up new day care center with collaborating partnership between Pangthong village committee, Napupoom Sub-district (Tambon) Administration Organization (TAO), and Napupoom Health Promotion Hospital.
- The day care center serves 28 young children age around 2 - 4 years who are Black Lahu ethnic living in very remote village cluster next to border between Thailand and Myanmar. The day care center will operate under this project support until October, 2020, then Napupoom Sub-district (Tambon) Administration Organization (TAO) will take over with its government subsidy budget.

orphaned and vulnerable children

- **Strengthen child protection mechanisms at the community level by capacitating CAGs to operate effectively, efficiently, and with minimal support from TLSDF**
 - **There are 55 community action group's members/villagers (CAG's members) who are child protection volunteers working along with the government and non-government agencies in two districts of Maehongson province covering 11 sub-districts, 104 villages.**
- **CAG's members conducted 12 case conferences and decided to provide all cases with living funds, and rebuild three safety home structures. (Two safety toilets and one bed room)**
- **CAGs' members referred 130 vulnerable children to receive 1,000 Thai Baht living funds from Maehongson Shelter for Children and Families.**

Pillar 1.

Life Skills Promotion through Sport for Development; Training and Tournament

- **Pillar 1. (1)**
- **43 coaches and referees were trained to organize 'Sport For Development' (S4D) to promote intercultural learning along with the tournaments. They reached out and organized S4D activity with 384 migrant adolescents and local youths to spread the message**
- **352 girls and boys from 4 target sub-districts participated in S4D, (Girls in valley ball, boys in 7 players soccer),**
- **2,398 reached with information about the football and volleyball tournament (online/offline/ f2f)**
- **Another 423 migrant adolescents and local youths were reached through 3 sub-districts S4D expanded tournaments (MaeNgon, MaeSoon and MonPin)**

DMAP S4D

Pillar 1.(2)

- **Life Skills Tour**
- DMAP training team reached 649 migrant youths in 10 expanded opportunity schools to facilitate the Life Skills; 'Fact of Life Lessons' on Child Rights, reproductive health care, educational pathways, vocational pathways and how to develop legal status

Pillar 2.

- 37 youth leaders were trained and formed as migrant youth network (MYN).

Pillar 2. MYN

- ✓ 1179 migrant adolescents and local youths were reached out by MYN
- ✓ 84 cases of vulnerable children who need urgent assistance were transferred and accessed to government multi-disciplinary team members from sub-district, district and provincial agencies.

Pillar 2. MYN

'Life Skills Tour'

DMAP training team reached 649 migrant youths in 10 expanded opportunity schools to facilitate the Life Skills; 'Fact of Life Lessons' on Child Rights, reproductive health care, educational pathways, vocational pathways and how to develop legal status

Pillar 3.

Migrant youth engage in career advancement activities

- a.) 395 M.1-3 students attended the hybrid courses in 5 piloting middle schools and Fang Vocational College
- b.) 24 local youths attended the short courses in community setting for migrant youth leaders and their peers
- c. 2 M.3 gradated girls attended job guaranteed course in Muang district of Chiang Mai.

Pillar 4.

Creating coordinating structure in the community to support the programme; building up 'Sub-district Child Protect Taskforce'

- ❖ **79 community volunteers from 4 TAOs were trained and enabled to identify vulnerable children, conduct home visit, and collect child case profiles, in associated with the TAO's sub-committee's in their respective community. 1371 vulnerable child case profiles are collected and will be analysed by CVs.**
- **The 83 TAO's sub-committee's members attended refresher training on how to provide care, development and protection to in-needed children**
- **The attempt is successfully bring in civil society to network with government collaborating network, 19 agencies to address problems and needs of children and youth particularly the migrant children in Fang district.**

DMAP

Developing Migrant Adolescents through
Life Skills, Sports, and Participation

- **DMAP phrase II. Continues in Fang district during 2020 – 2022 without 'Life Skills Tour'**

The Living Fund

program that grants scholarship-like support

- **130 cases transferred to Maehongson Shelter for Children and Family Care (OVC)**
- **Three cases were supported through home renovation/reconstruction and safety development (OVC)**
- **84 Cases support by living funds (DMAP)**
- **20 scholarship distribution by AV Japan**
- **6 scholarship distribution by TLSDF central fund**

Our new project in 2020

Migrant Women Empowerment
for Children's Health Care and
Development Promotion (MWEC)
Support by KNH Germany.

- **Facilitate 8 SHGs/ 120 migrant women**
- **Support 240 migrant children to access to nutrient food, basic education, and health care services**
- **In Nongharn sub-district of Sansai District, Chiang Mai**

Our initial proposal to Swiss Embassy's small grant project

1. Life Skills Tour Project

- Serving around 2000 migrant youths in 20 expanded opportunity schools with Life Skills; 'Fact of Life Lessons' on Child Rights, reproductive health care, educational pathways, vocational pathways and how to develop legal status
(Fang and Sansai district of Chiang Mai)

2. Rights For Every Child; A Fair Chance

- Facilitate 11 CAGs to establish as legal entities (legalized Community-based Organization), then support them to reach out and assist 110 most vulnerable ethnic and local Thai children with our living fund scheme.
(Pai and Pangmahap district of Maehongson)
